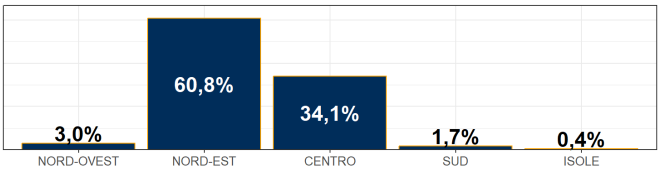
casi in occasione di lavoro



di cui mortali

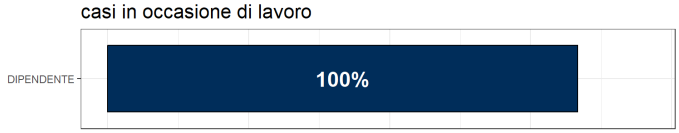
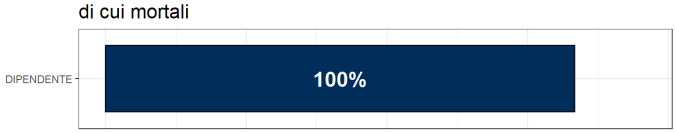
Tipo di lavoratore

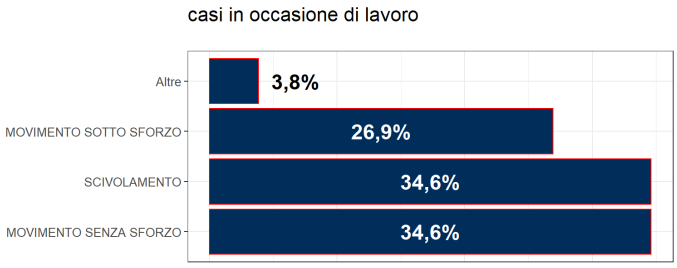
casi in occasione di lavoro



di cui mortali



Cause e circostanze,Variabile Esaw/3**. Deviazione Infortuni definiti positivamente (casi codificati). Triennio 2023-2025

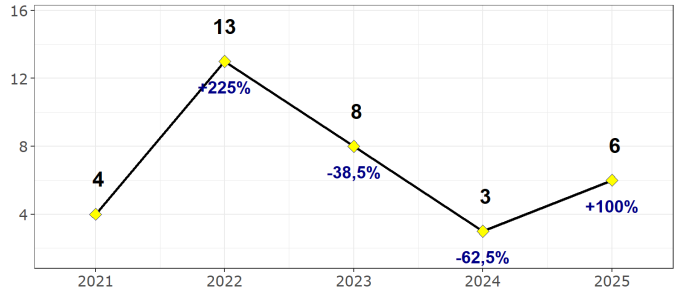


Nessun caso codificato per i mortali

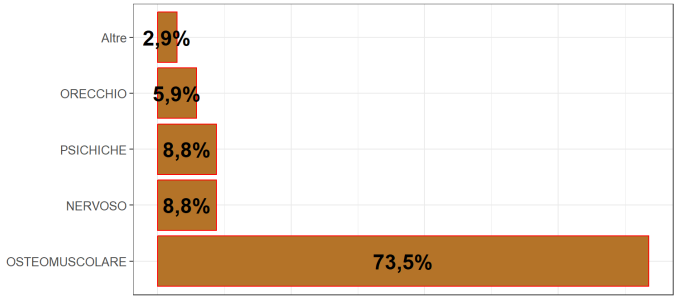
Caratteristiche Malattie professionali denunciate nel quinquennio 2021-2025

Casi denunciati per anno di protocollazione

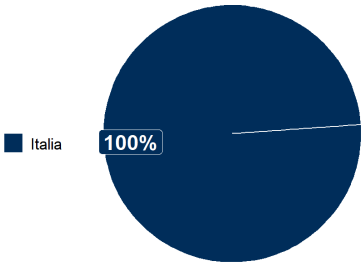
Variazione quinquennio 2021-2025 del +50%



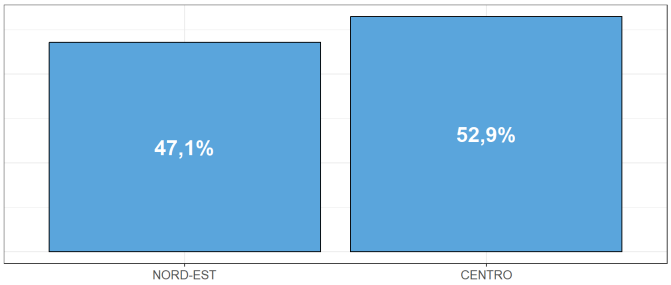
Tipo di malattia-classificazione Icd-10***



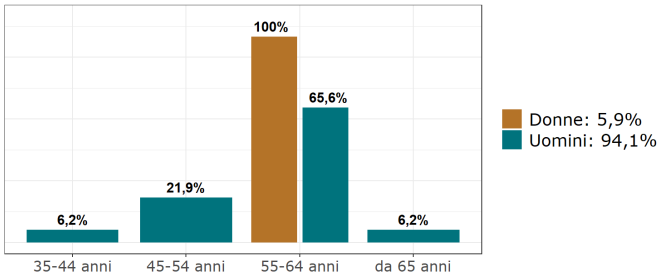
Luogo di nascita



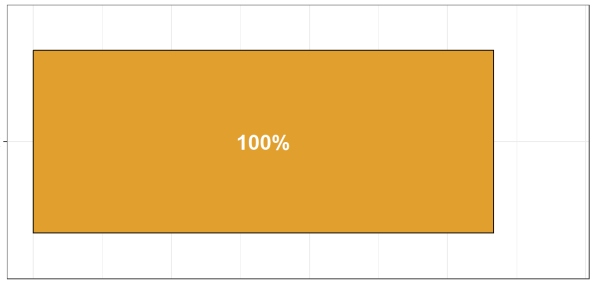
Ripartizione territoriale per macro-area



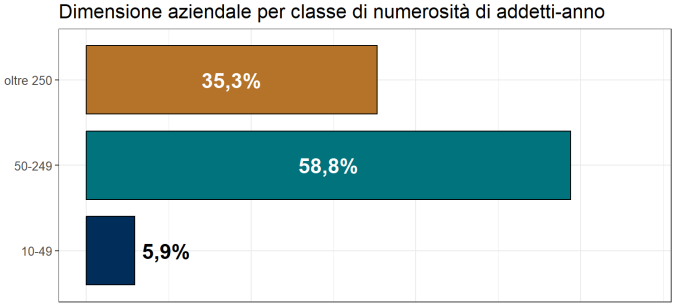
Genere e classe di età



Tipo di lavoratore



Dimensione aziendale per classe di numerosità di addetti-anno



N.B. Il totale dei valori percentuali calcolati può risultare non uguale a 100 a causa degli arrotondamenti. Le percentuali sono arrotondate alla prima cifra decimale; per i valori interi non è riportato alcun decimale. Per ogni ulteriore specifica su asterischi e approfondimenti si rimanda alla pagina del Glossario.
